Dear Friend,

Since 2004, The Nicklas Foundation, a non-profit 501(c)(3) organization dedicated to spreading the word about organ donation, has provided free fully furnished housing to nearly 90 families awaiting a life-saving organ transplant and who do not live in close proximity to their transplant center. In addition, we have provided no cost air transportation to transplant patients.

This year marks the **11th Annual Nicklas Foundation Charity Golf Tournament benefiting The David Nicklas Organ Donor Awareness Foundation!** Please accept this invitation to participate in our tournament to be held **Friday, September 27th** at Grand Prairie's premier Tangle Ridge Golf Course. There are many ways you can support the work of our Foundation through this event.
